Welcome To UOD

Welcome to the University of Dunaújváros!

We are glad to acknowledge, and hopefully your experiences with our University will also convince you, that the conscious educational and infrastructural development efforts of our University have led to spectacular achievements and results.

The University of Dunaújváros, reclining upon its traditions, is a truly European and international institution, admitting students even beyond the boundaries of the European Union. Our University and its programs meet the requirements of the Bologna process and the European accreditation, and therefore we provide international degrees and diplomas to our students. With our innovative approaches, research & development activities, modern educational initiatives, e-learning and practice-oriented programs, and with our responsible partners we are forming the science centre of the region.

I hope you will enjoy yourself in Dunaújváros and the study at our university will be to your satisfaction.

Good luck!

Dr. István András
Rector

Brief Introduction to Hungary

Hungary lies in the heart of Europe unarmed by the Carpathian Mountains. The country is a great place for travelling thanks to its position in Central Europe, it shares borders with seven neighbours: Austria, Slovakia, Ukraine, Romania, Serbia, Croatia and Slovenia. Due to its wonderful landscapes, many-century-old historical cities with their splendid atmosphere, the abundance of natural thermal springs, its rich and wide range of wines we believe that Hungary will provide a pleasant and unforgettable experience to every tourist who visits our land. The delicious and unique Hungarian cuisine, the internationally renowned festivals and at last but not least the low and affordable prices of accommodation, travelling and touristic services attract many thousands of visitors to Hungary every year, as well. Budapest, the capital city is regarded as one of the most beautiful cities in the world.

Who comes to see Hungary, will never forget it.

Hungary

Hungarians are the only people in Europe who use their family name first and birth name second. So in Hungary Steven Spielberg would introduce himself as Spielberg Steven.

The Hungarian Language

Hungarian is a Finno-Ugric language unrelated to most other languages in Europe. The Hungarian name for the language is Magyar.

The Hungarian vowel phonemes can be grouped as pairs of long and short vowels, e.g. o and ó. Most of these pairs have similar pronunciation, only varying in their duration; the pairs <a>/<á> and <e>/<é> differ both in closedness and length, however.

Consonant length is also distinctive in Hungarian.

Primary stress is always on the first syllable of a word. The remaining syllables all receive an equal, lesser stress. All syllables are pronounced clearly and evenly, even at the end of a sentence, unlike in English.

Remember the points below, and your pronunciation will be even closer to correct Hungarian.

a	as the 'u' in 'tuck'
á	as the long 'a' in 'father'
c	'ts' as in 'lots'
cs	'ch' as in 'church'
é	'ay' as in 'pay'
gy	as the 'de' in 'dew' or the 'du' in 'duration'
í	as 'ee' in 'weed'
j	as the 'y' in 'yet' or 'yawn'
ly	as the 'y' in 'yet' or 'yawn'
ny	as the 'nu' in 'tenure' or the 'ni' in 'opinion'
o	as the 'ou' in 'ought'
ó	as the world 'awe'
ö	as the 'ur' in 'fur'
ő	as the 'ur' in 'fur' but longer
s	'sh' as in 'shop'
sz	's' as in 'soap'
ty	as the 'tu' in 'tune' of 'Tuesday'
u	as the 'oo' in 'moon'
ú	as the 'oo' in 'moon' but longer
ü	as the 'ew' in 'hew'
ű	as the 'ew' in 'hew' but longer
zs	as the 's' in 'vision' or 'measure'

Dunaújváros, one of the youngest and the most dynamically developing towns in Hungary, is suited on the right bank of the river Danube, in the heart of the country, just 70 kms south from the capital, Budapest. The modern town of Dunaújváros was born as the result of a grandiose socialist investment project and has only a six decades, or two generations history to look back on.

When in 1949 the decision was made that the new metallurgic complex would be built here, the choice fell upon an area that had been inhabited for millennia.

Dunaújváros

The spatial functions necessary to the functioning of the “created town” were designed and established in terms of “housing and institutional planning units”. The majority of flats are in concrete panel blocks built in the past thirty years, but in the Old City family homes and some old peasant homes from the turn of the century have also remained.

The townscape of Dunaújváros is characterised by green places with lots of flowers and shady promenades. The different quarters of the town are separated from each other and from the industrial zone by stretches of green and a protective forest belt. The flora of the high river bank is of environmental value. The town also offers high-level services (restaurants, cafés, cocktail-bars, billiard-halls), as well as entertainment and cultural programmes (cinema, theatre, museums). There are shopping centers where all the multinational shops and stores available (TESCO, Interspar, McDonald's, Lidl, Aldi, Park Center, Decathlon etc.).

Dunaújváros is a town of county rank, an administrative centre, which together with the surrounding settlements has a population of nearly 100 thousand people. The town is also called “the sport town of the nation” as it has various sport facilities, as well as professional and amateur sport clubs.

Brief introduction to UOD

The University of Dunaújváros, being the one and only higher educational institution of a dynamically developing town, lying in the geographical centre of Hungary plays a leading role in the higher education of the region. Currently there are more than two thousand students studying at UOD. The University of Dunaújváros has seen rapid development during the past years, and has launched foreign language undergraduate and graduate education for students on different Engineering and Communication programs.

Developments of UOD

The University of Dunaújváros plays a leading role in the higher education of the region. More and more youngsters apply to our institution and choose our majors, thanks also to the advantageous business and industrial relations of the institution. The university's educational scope and its programs have been continuously expanding. UOD has long been conducting metallurgical and mechanical engineering, technical and engineering teacher training, and information technology courses. From the beginning of the 1990s our institution also offers business administration, technical management, and material engineering programs, and from the beginning of the 2000s communications and media studies as well.

Currency

The official currency of Hungary is the Forint (Ft, HUF).

Coins: 5, 10, 20, 50, 100, 200

Banknotes: 500, 1000, 2000, 5000, 10000, 20000

In certain places you will see prices quoted also in Euro (EUR) for comparison. Most of the places accept major credit cards (Visa, American Express, Mastercard, Eurocard, etc.). Money can be transferred at post offices and banks.

Weather

The climate of the country is temperate continental with Mediterranean and Atlantic influences, with four seasons (spring, summer, autumn, winter). Average temperatures: January -2C (28F), July 23C (73F). During the winter there is often snow, and in summer it gets very hot.

Coldest month: January, hottest month: July. The number of sunny hours a year: 2038. Mild weather period: from the end of March to the end of October.

Advice: it is worth keeping and collecting all money-related documents, like monthly bank statements, currency exchange statements, spot cash statements, ATM receipts, and Western Union certificates, to avoid complications.

The conditions of leaving Hungary (returning home or to a third country)

Immigration regulations require you to certify your ability to return to your home country or any third country upon the expiration of your residence permit. You declare your destination country, the means of transport and the approximate travel expenses. Furthermore you have to certify that you possess the necessary amount of money for travel expenses throughout your stay.

- If you have a valid ticket or reservation for returning home or to a third country: you have to show it personally at the Office of Immigration and Nationality!

- If you do not have a valid ticket or reservation: you must certify that you have the necessary amount of money to buy one at any time (meaning that you have the proper amount of money allocated for this purpose at all times). If you have a bank account it is recommended to keep this amount, you may separate this amount to another bank account, or allocate it somehow (e.g.: as an independent engrossed deposit).

Formal requirements of the declarations and applications

It is important for you to know that any applications, statements or declarations submitted to the Office of Immigration and Nationality (by you or by the beneficiary of your place of residence) must meet the following formal requirements:

- handwritten statements are acceptable with the signature of the person writing and making the statement;

- not handwritten form (e.g.: made with word processor and printed) needs to be signed by the issuer and two other witnesses.

Immigration Office:
8000, Székesfehérvár,
József Attila st. 38.
Tel: +36 22 510650
Fax: +36 22 510655

Being the centre of higher education in the region, students can choose from forty-five specializations of eleven basic majors in the course of full-time and part-time study.

Besides Hungarian, some programs are also offered in English, including the Technical Management BSc, Engineering Information Technology BSc, Business Administration BA, Communication and Media BA, Material Engineering BSc, Mechanical Engineering BSc plus MSc and Engineering Teacher MA programs, for instance.

Location of UOD and the University campus

The University of Dunaújváros is located in the centre of Dunaújváros city. The European level campus provides a friendly environment for the students. The infrastructural development of the University of Dunaújváros is very impressive. A regional library, several large lecture halls, professional laboratories, two large conference rooms and a new ballroom is located in a new, multi-functional 4000sqm building in the area of the Campus. Several newly renovated student hostels are awaiting our students and guests. In front of the main building, a new public park is opened with a fountain, a bio-pond and planted areas.

Our highly developed computer network makes it possible to use the computers free of charge and to have free Internet access. In the institution the number of computers with free Internet access is more than 1000. Every student of the University is granted an own e-mail address. There is possibility for wireless connection to the network in most parts of the Campus. Our Student Hostels are also connected to our computer network, so there is internet connection in each of the rooms.

Visa and Residence Permit

Rules of application

According to the Immigration regulations, from January 1st, 2006, you have to apply for a residence permit (first application or an extension) not later than 30 days before the expiration date of your previous visa or residence permit. When you apply for a residence permit, you have to attach a photo (a recent one) and 10000 HUF in fee stamps. You can buy fee stamps (illetékbélyeg) at any post office.

There are four basic terms you have to document. These are your student status, the residential background, financial background, and the conditions of leaving Hungary (returning home or to a third country). You should provide all the documents below when you apply for the residence permit. Important! Every document must be original or authenticated by the issuer, or a public notary! No photocopies or reproductions (e.g.: scanned and re-printed documents) are acceptable during the procedure!

Certifying your student status

You will need a certification from the Studies and Student Information Office of the University, which proves that you are registered and enrolled for the next academic year.

Certifying residential background

- If you are living at a student hostel: attach a written certificate of the student hostel and the address registration form filled in (as described above) signed and stamped by the director(s) of the hostel.

- If you have arrangements for private accommodation: you will have to attach the documents necessary for address registration. If your place of residence didn't change since your last registration, and the attached documents are correct and meet all requirements, there is no need to re-register.

Financial background

According to the Immigration regulations, applicants have to prove that they possess the necessary funds to cover the expenses of their stay in Hungary for as long as they are applying for. There is a variety of ways to prove it; this can be documented partly by a written declaration, in which you explain your financial circumstances including the following details: the source(s), the amount, the currency, and the regular basis in case you receive support in cash and deposit it in the bank. In support of your statements you must attach the following documents: If you have a bank account at any Hungarian bank: you have to attach a summarized history of debits and credits on this account, at least for the previous 6 months. The last 6 statements of your account mailed monthly by the bank, or ATM receipts (of the last 6 months) are also acceptable.

Health insurance

The regulation at the University of Dunaújváros requires all students to have a valid health insurance with accident and sickness coverage.

The health insurance contract of the Generali-Providencia Insurance Inc. offers the following services to the foreign students during their stay in Hungary:

- Covers the costs of the insured person's necessary medication and medical treatment arising from illness or accidents. The insurance company's service obligation only extends to cover the outpatient treatment and hospital treatment in Hungary.
- /The insurance does not cover dental treatment (except for emergency and resulting from accidents), hospital nursing due to pregnancy and abortion, the cosmetic and rehabilitation treatment and alcohol and narcotic detoxification cures, illnesses caused by the AIDS virus./

The basic charge for the health insurance for one year is 70.000 HUF (as of 2016).

Health Insurance Registration Procedure

1. To have a health insurance, come to the International Relations Office and fill in the registration form.
2. Pay the fee (70.000 HUF/year) at the Post Office by the cheque received from the IRO.
3. You will get an insurance card that contains the personal data of the insured person, the basic data of the insurance (validity, serial number, etc.) and the information of the appointed Doctor to contact.
4. With this card the holder is entitled to make use of the services in accordance with the conditions described above. (The card is valid only with the passport!)

If you are ill

You may go to the appointed doctor (in the building of Egészség Bt.), where you receive medical treatment free of charge. If you need further treatment or you are sent to the hospital, you need to pay for the treatment and the hospital care.

For getting the compensation back for your payment, you need to have a medical report from the doctor and the invoice from the pharmacy. (On the invoice, your address and the cost of the treatment have to be written!) The invoice should not be older than 1 month!

You have to hand all papers and invoices to the doctor, and within a month you will get your money refunded to your bank account or get it back in cash.

Transportation

Dunaújváros has good transportation to the capital, which is just 70 kilometres from Dunaújváros, and to other cities of Hungary. The city can be reached by both rail and motorway.

Dunaújváros has one railway station (Kandó Kálmán sq. 7). The long distance buses or coaches usually have two major stops: one at the bus station (Béke sq.), the other in front of the cinema (Dózsa sq.). There is regular bus service to the capital in almost every 40 minutes.

Schedule of buses: www.menetrendek.hu

Student associations

Student life at the University of Dunaújváros has been shaped by the more than 270-year-old traditions of Selmec that mould teachers and students of the college into a very cohesive community. Foreign students arrive in this community, and they get all the support they need from Hungarian students studying here, as well as from their teachers. The International Relations Office, the Students' Self-government and the special authorized staff of the University and other service units help students to adapt through various organised programs. Different organisations, such as foreign student committees, students' professional clubs, and self-motivated clubs are working within the institution. Some examples:

The High-tech Club (THC), Kerpely Antal Computer Special College (KAC), World of Challenge (W.O.C), Technical Professional Special College, Technical Management Special College, Pedagogic and Communication Special College. There are many other clubs, like the photo club, soccer club, rugby club, creative hobby club, exotic modern dance club, women's choir, to name just a few.

How to get to the university?

Air

The main airport for international flights in Hungary is Liszt Ferenc Airport.
[/http://www.bud.hu/English/](http://www.bud.hu/English/)

If you come by plane, first you have to go to Budapest, where you then have to take a bus (coach) or a train to come to Dunaújváros.

From the airport to Budapest, passengers are taken by a direct bus service from Terminals 1 and 2, called the Bus 200 to Kőbánya-Kispest metro terminal, which is the final stop of bus 200. From there, the easiest way is to get on the metro (M3), go 4 stops till Népliget, where you find a Bus (coach) station. From there, direct buses departure every hour. (It takes about 40 minutes to get to the Bus Station; the bus to Dunaújváros takes about 70-100 minutes).

If you want to come by train, you have to go 10 stops by the metro, from the Kőbánya-Kispest station, till Deák Ferenc tér, where you have to change to the other metro line (M2), and go 4 stops, till Déli Pályaudvar, from where the trains departure in almost every hour. (It takes about 60 minutes to get to the Déli Pályaudvar railway station; the train to Dunaújváros takes about 90-120 minutes).

We recommend you coming by bus. It is easier and quicker.

The cost of a ticket for the buses, trams and the metro in Budapest is around 350 HUF for one journey. (You have to buy these tickets before getting on the vehicles in special cash-desks, or at the newsagent's, or at automatic machines.) The cost of the bus or train from Budapest to Dunaújváros is around 1500 HUF.
